"THE FIGHT FOR THE RISE OR FALL OF DEMOCRACY"

TRUMP HARRIS

Voting, 2024. Probably the most talked about topic in recent memory, contemporary history, and political circles, since the civil war! The civil war *thang* sounds like a sound bite from the Trump playbook. But it's *kinda'* true. The factors, facts, stats, lies, narratives, stories, dreams, nightmares, books, docs, pamphlets, flyers, commercials, billboards, banners, rallies, conventions, caucuses, *twerking*, swaying, singing, screaming, praying and *kumbaya's* basically have not produced a single redeeming option from either party.

Does that mean I won't vote? **Aw Hell Naw!** It actually means I will work harder to advocate for a simple mission that everyone should be able to vote. Vote without obstacles, roadblocks, politics and politricks.

Our mission starts at home. Right at home. When you vote in your local races, you vote for YOU, your family, your neighbors, your neighbors family and the funding your neighborhood receives for infrastructure, grants & opportunities that enhance the quality of life for you and yours. You see, the next Harris or Trump is on your city council, county commission or state legislature. Yep, the local aspiring, t-shirt wearing, door knocking, \$25.00 donation asking, hot dog, chips and off-brand soda Saturday afternoon cookout gathering - could be the next political superstar or supermax federal prisoner.

Either way, the vote is where it begins and ends. Now everything in between is the issue. I live by the sentiment, "*Everybody loves the sausage until they find out how it's made*" AND that is where it begins for me.

Every campaign starts with a trip to what I call the "PROMISED LAND". Promises made and missed. The 2024 Democratic & Republican campaigns have missed more and more... Leaving us with less and less.

WHAT ARE YOU SAYING ALAN HILL? - Well I'm glad you asked. First you must ask yourself, what are you concerned about and are your concerns an issue for the person you gave your "*oh so precious vote*". You know the same vote our people were beat, jailed, and even died for.

Yea that vote.

So we have the Democrats - the party of choice for a majority of Black people. Generally because their parents were Democrats and their parents as well. Democrat has become the party of choice for several factors. But for brevity, we'll begin with the civil rights movement. It's a complicated and interesting relationship. Most of people that identify as a Democrat are generally conservative than and represent an educated and successful segment of individuals that actually resemble a "closet Republican". As the Democrats welcomed Black southerners to the north with the lure of better pay, through unions and a tad bit less JIM CROW, the choice was clear.

This dramatic shift resulted in the Democrat party gaining votes and Black voters having a fighting chance in better representation and results. It's a strategy where party participation SHOULD ensure positive results for Black people. Clearly it hasn't always worked and hence the reason so many Black people are looking at other options, as smart people usually do. And for the most part participation in this one particular party, holds a certain level of power not seen in other parties. Or at least since the REAL Black Panther Party!

Remember the sausage statement? Well maybe since the pork didn't quite sit well with your sensibilities, let's try veggie or turkey. Still eating sausage - just made a little different.

Publisher/ Director Alan S. Hill
Washington DC. Congressional Black Caucus - 2024

I expect facts...NO CAP! Simply explained, quietly and quintessen ally delivered. In other words, telling me what you think I *wanna'* hear is not the same thing as telling me what I need to know. Shoving a candidate down my throat is not exactly democra c. As a ma er of fact, it sounds like an arranged marriage that I'm not quite feeling.

There is a segment of America, that needs more than *twerk-ing* on stages, fake accents, and celebrity appearances—some celebri es that we wouldn't even trust their opinions on the weather. We need more than a circus clown reality star /convicted felon - coupled with a twisted love of porn stars, and thoughts of understanding the Black experience by merely having a mug shot.

Yet here we are. And with both par es huddled in backrooms - begging, borrowing and disrespecting the very people you need to win. We have a Democra c party where two of the most visible figures are essen ally poli cal losers. Jamie Harris DNC chair and Stacey Abrams, (Georgia's self proclaimed voter registra on Queen) eluded to educa ng me on Kamala's caps on insulin at a campaign press event. I don't need insulin and if our people were delivered be er nutri onal op ons and our communi es weren't plagued with food deserts - it wouldn't even be a conversa on.

And on the Republican side the other side, we have everything from Trump's "Dictator for a Day " Program, to swearing up, down and sideways he doesn't know a damn thing about Project 2025. Then you have a group of people who will *lie* like a rug about everything from Jan 6th being nothing more than a good *ol' fam-ily get together*, to the 2020 elec on being rigged. The mere fact that our na onally appointed village idiot is *and* has been a serious contender for damn near half of America - and maybe more, because there are mil-lion who can't vote.

Yep. Not much here... Truly a race to be lost by the party that basically just makes fewer mistakes and mis-steps than the other.

Do I have a vested interest in who wins? Absolutely. Am I pu ng money on this fight. Nope. But whatever loser wins, we will be here. Building the "PROMISED LAND", coun ng the receipts, advoca ng for real solu-ions and calling them out on their disrespect.

Remember there was a me when you visited someone's house - you would look around, you would look to see if people took their shoes off or brought the lady of the house a gi . There was a me if your car was leaking oil, you'd park it on the street, versus the driveway. These simple acts represented good Southern manners. Watching this campaign in Georgia delivered an understanding on why Southerners have a sense of distrust from them fast talking carpet baggers.

Remember George Bush's blundered quote, "Fool me once shame on... well you know you can only fool me once". The lesser of two evils ... well it's just still evil but voting for it hits a lil different!

THE ISSUES

KAMALA HARRIS

DEMOCRAT

DONALD TRUMP

REPUBLICAN

See guides.vote for online guides with links & sources	kamalaharris.com	donaldjtrump.com
<p>ABORTION Ban or legal?</p>	<p>Legal. “Every woman should have the right to make decisions about her own body.” “This fight is about freedom.” With Biden, strengthened abortion pill access and abortion patient protections, overturned Trump Planned Parenthood federal funding ban. Would sign national abortion rights bill if Congress passed.</p>	<p>Ban. “After 50 years of failure, I was able to kill Roe v. Wade.” Did so by appointing three anti-abortion Supreme Court Justices. It was “a miracle.” States should decide for themselves, potentially monitoring women’s pregnancies and prosecuting women for getting abortions. Abortion is “really not that big of an issue.”</p>
<p>CLIMATE CHANGE Should climate change be a top priority?</p>	<p>Yes. We’re seeing the climate crisis “every day...in real time.” “We must do more.” Cast the deciding vote to commit \$369 billion to climate and clean energy, the biggest investment in US history. Supported \$1.2 trillion in infrastructure; includes reducing greenhouse gas emissions.</p>	<p>No. Climate change is a “hoax.” The world will “start getting cooler.” Withdrew from the Paris climate pact. Will expand coal and oil production. “I want to drill, baby, drill.” Asked oil and gas executives to donate \$1 billion so he could reverse Biden’s climate initiatives.</p>
<p>CRIMINAL JUSTICE How to ensure effectiveness and fairness in law enforcement?</p>	<p>Police are dedicated public servants. As a prosecutor increased felony convictions by one third. But “public safety requires community trust.” Has supported better training, banning choke holds, and prosecuting police misconduct.</p>	<p>Police are “under siege.” Cut back active federal oversight of excess force, though supported a database to track it. Admires Chinese approach of quick trials and a death penalty for drug dealers so there will be a “zero drug problem.”</p>
<p>EDUCATION Limit teaching about racism and gender identity?</p>	<p>No. In Florida “extremists... passed a law, ‘Don’t Say Gay,’ trying to instill fear in our teachers.” Now, “they want to replace history with lies,” teaching “that enslaved people benefited from slavery.” Children should be “taught the truth.”</p>	<p>Yes. Certify teachers who “embrace patriotic values.” Would “cut federal funding” for any school “pushing critical race theory, gender ideology.” Restricted diversity training for federal employees and contractors.</p>
<p>ELECTIONS Did Joe Biden win the 2020 Presidential election?</p>	<p>Yes. “The [election] results were certified by state after state and reaffirmed by court after court.” “On January 6, we all saw what our nation would look like if the forces who seek to dismantle our democracy are successful.”</p>	<p>No. Called the election a “Big Lie” and a “Massive Fraud” that would justify “termination” of parts of Constitution. Called those who stormed U.S. Capitol “unbelievable patriots.” Would pardon them fully.</p>
<p>ENVIRONMENT Loosen or tighten environmental regulations?</p>	<p>Tighten. Supports “environmental justice.” In CA prosecuted polluters. Biden admin issued more than 100 environmental regulations.</p>	<p>Loosen. Weakened or ended more than 125 environmental protections, including wetlands and wildlife. Will reverse Biden policies.</p>
<p>GUN LAWS Loosen or tighten gun regulations?</p>	<p>Tighten. “Every person deserves the freedom to live safe from gun violence.” Supported the bipartisan gun safety bill and required background checks for gun show & online sales.</p>	<p>Loosen. To NRA, “no one will lay a finger on your firearms.” Plans to roll back Biden gun restrictions. Reversed Obama-era background checks for those with mental illnesses.</p>
<p>HEALTHCARE Repeal or expand the Affordable Care Act (ACA), also known as Obamacare?</p>	<p>Expand. “Health care is a right, not a privilege.” Cast a tie-breaking Senate vote to expand ACA & lower Medicare drug prices, including a \$35 monthly insulin cost. Would link drug costs to costs that comparable wealthy nations pay.</p>	<p>Repeal. “Terminate.” “Obamacare is a catastrophe.” As President, promised to replace it with “something terrific,” but repeal failed in the Senate by one vote. Supported an unsuccessful lawsuit to overturn it.</p>

ISSUES	HARRIS (D)	TRUMP (R)
IMMIGRATION How to handle immigration? Support a path to citizenship for "DACA" participants brought to the US as children?	Supports "comprehensive immigration reform." Backed the bipartisan Senate border security bill. Rejects mass deportation of undocumented immigrants. "We are a nation of immigrants... let us all address [the issue] with the urgency and seriousness it requires." Supports pathways to citizenship for DACA participants and undocumented spouses of citizens.	Illegal immigrants are "poisoning the blood of our country." Will use the National Guard and local police, with possible detention camps, to deport 15 to 20 million illegal immigrants. Opposed the bipartisan Senate immigration bill. Tried to end DACA; Supreme Court overruled. Would renew his Muslim ban and end automatic citizenship for everyone born in US. Has
ISRAEL/GAZA Response to Israel's invasion of Gaza following October Hamas attack?	"We need" a cease-fire & a two-state solution. "Israel has a right to defend itself." But "too many innocent Palestinians have been killed... Civilian suffering... [is] devastating." Palestinians and Israelis both "are entitled to security."	supported Israeli action, "get the job done." Says Israel releasing images of bombed Gaza buildings loses "the PR war." Gaza protesters are "raging lunatics and Hamas sympathizers." Would deport student protesters.
LABOR Make it easier or harder for unions to organize?	Easier. "Unions built" the American middle class. "We are fighting to protect the sacred right to organize." Backs pro-union laws. Walked UAW picket line. Build "an economy where every person, not just the wealthy," can thrive.	Harder. Made it harder for unions to win representation and organize on an employer's property. Restricted federal employee collective bargaining. Striking Auto Workers were "sold down the river by their leadership."
LGBTQ RIGHTS Limit or expand LGBTQ rights?	Expand. In 2004, officiated some of the nation's first same-sex marriages. Helped repeal California's anti-gay marriage initiative. Biden administration protected LGBTQ medical patients from discrimination.	Limit. Weakened an Obama order protecting LGBTQ federal contractors from discrimination. Banned transgender military servicemembers and ended anti-discrimination protections for transgender patients.
MARIJUANA Ban or legal?	Legal. "Nobody should have to go to jail for smoking weed." Legalize and regulate. Supports Biden's easing federal prohibition. Yes. Supports	Unclear. It does "significant damage." Reversed Obama rule to not prosecute in states where legal, but ultimately didn't prosecute.
MINIMUM WAGE Raise federal minimum from \$7.25 an hour?	Congress raising the national minimum wage to \$15. Biden administration raised to \$15 for federal contractors.	No. A \$15 minimum wage would "eliminate jobs." Threatened to veto. Questioned need for a federal minimum wage: let the states decide.
SOCIAL SECURITY Cut Social Security or raise retirement age to stabilize program?	No. Would protect and stabilize Social Security by making wealthier Americans pay into Social Security at the same rate as everyone else; they'd keep paying in above their current \$168,600/year income cap.	Mostly yes. There's "a lot you can do in...cutting." Also flags bad management. Proposed \$35 billion cuts in Social Security disability programs. But "will never do anything" to "hurt Social Security." No. Called student loan forgiveness "unfair" to those not attending college. Vetoed forgiving loans of defrauded students. Proposed cutting support programs for student borrowers. Lower.
STUDENT FINANCIAL AID Support lowering interest on student loans and/or forgiving them?	Yes. Supported Biden forgiving \$144 billion for over 4 million borrowers, after the Supreme Court blocked the Biden-Harris \$430 billion forgiveness plan.	His 2017 tax cut included the largest corporate cuts in US history and major tax cuts for the wealthy. Would extend them when they expire in 2025. Raising business taxes "will lead to the destruction of your jobs."
TAXES Raise or lower taxes on the wealthy and corporations?	Raise. Voted against Trump tax cuts, which included the largest corporate cut in US history. Supported increasing corporate tax rates. To boost teacher salaries, proposed raising estate taxes on the very wealthy.	
UKRAINE/RUSSIA Support defending Ukraine against Russian invasion?	Yes. "Regarding Putin's unprovoked, unjustified war against Ukraine... we are committed to... defend democratic values and stand up to dictators."	Mostly no. To end the war, will push Ukraine to give up territory to Russia. Russia should "do whatever the hell they want" to NATO countries that don't pay enough.
VOTING RULES Make voting harder or easier?	Easier. Pass bills to protect voting rights and make voting and registration easier. Biden administration directed federal agencies to help people register.	Harder. Has long supported stronger voter ID requirements. Sued to bar ballot drop boxes. Encouraged Republicans to vote early but said early ballots "get lost" or are "phony."
